

# General Education Program Advising Worksheet

Effective for catalogs 2012 onward

Students must complete a minimum of 42 credit hours (catalogs prior to 2020-2021) or 39 credit hours (2020-2021 catalog onward) in Core and Non-Core general education requirements (GER) with a minimum grade of C- in each course. In addition, students must successfully complete one course from each area of the major-designated requirements. Students must update this worksheet and bring it to scheduled advising sessions each semester. Students are responsible for meeting all general education requirements specified in the AUS Undergraduate Catalog followed for graduation purposes. See [www.aus.edu/generaleducation](http://www.aus.edu/generaleducation) for information related to the General Education program in effect as of Fall 2012.

<b>Computer Literacy</b> <i>one course designated in the major</i>	_____	_____	_____	_____

- Notes
- \* Credits earned in Core Requirements areas cannot be counted toward other general education areas or other degree requirements.
  - \*\* Courses in the Arts and Literature area vary between one and three credits. A minimum of three credits must be completed in the Arts and Literature area.
  - \*\*\* For some majors in the College of Engineering the statistics requirement is satisfied through the two credit course NGN 111. CEN students should consult the catalog for information related to their specific major. For School of Business Administration students the statistics requirement is satisfied through QBA 201 (3 credit hours).
